

Assessment of the Films in

6th International CHINH INDIA KIDS FILM FESTIVAL

- By Simran Dhingra
Juror coordinator

According to me, every film is unique in its own way. I pay my heartfelt gratitude to each and every film and appreciate the efforts of the director from the core of my heart. Sometimes one jury comment lifts the film out of blue and evident ones find themselves in back burner.

I, Simran Dhingra, as a CHINH Ambassador would like to present you glimpses of the comments of the this year's Pre School, Early Education & Animation Jury members of CHINH.

While discussions are getting ready for upload, enjoy comments from some of our jurors.
